DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The prior arts of record individually or in combination does not disclose performing dummy calculations to selected bit positions of a secret number that indicate calculation should not be performed and not multiplicatively accumulating the results of the dummy calculations in a subtotal and the dummy calculation alter at least one externally observable parameter to thwart detection of a secret binary number in a cryptographic computational device in light of other features disclosed in independent claims 51, 73, and 88.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
